ACTION ALERT:

HELP US AVERT A
CRISIS OF CARE AT
PRINCE GEORGE'S
HOSPITAL

The “Keep Our Care” coalition and citizens of Prince George's County are concerned about a proposed sale of Prince George's Hospital system to a private health services provider that may **drastically reduce** the level of HIV/AIDS, reproductive health, and other healthcare services that are currently available to residents.

To ensure transparency, with decisions being made in the open with public input, and to avoid the possibility of a dangerous reduction in services, ***Take a stand and join us!*** (over for details →)
